## **Brazil: Exclusive Oil & Gas Opportunities** for 2016

The past year was challenging for the Brazilian O&G industry, resulting in an urgent need for NEW SUPPLIERS that offer INNOVATIVE solutions.

We invite you to meet Alfredo Renault<sup>\*</sup>, who will share unique knowledge, experience and opportunities in the Brazilian O&G market, followed by a presentation by Daniel Kolbar, the Commercial Attaché in Rio de Janeiro, Brazil.

\*Alfredo Renault, speaker in over 100 conferences and seminars worldwide, is a specialist on foreign suppliers to the Brazilian O&G Industry; former Director at the National Agency of Petroleum (ANP; 1998-2004); currently Director at the Brazilian National Organization of Oil Industry (ONIP).
